AN UNEXPECTED CHRISTMAS

Embracing the hope of Christmas, and the love it compels us to give to others.

This year, more than many others in recent past, has been full of many unexpected turns in the road. This Christmas will be no different. However, the decisions we make in the face of unexpected moments will greatly define the fulfillment we experience this Christmas season.

Come experience the journey of a man, who when faced with unexpected circumstances, comes to see, first hand, the strength and joy of not only embracing the hope Christmas reminds us of, but the love Christmas compels us to give to others.
